

# TOSS Your BOSS

Has your boss ever pushed you over the edge? Well, now's your chance to return the favor!

Rally your co-workers to "Toss your Boss - Over the Edge" of the 5001 Building in Celebration Pointe for the thrill of a lifetime, AND help Alachua Habitat for Humanity build affordable housing in our community all at the same time!

November 30<sup>th</sup> | 2018

5001 Building  
Celebration Pointe  
Tech Park

When your organization raises at least \$1000, you can send your boss, coach, teacher, or team leader rappelling "Over the Edge". But, beware! If your leader matches your organization's contributions, they can designate someone else to go over for them! Groups raising over \$2500 are eligible for the benefits of Landing Zone sponsorship.

To register your team or for more information, visit:
