

Private Building Experience

general build information:

- We hold build days every Wednesday and Saturday from 8:30am to 2:30pm, but we will work to accommodate your business' needs.
- Volunteers do NOT need any prior experience to volunteer on one of our build sites!
- Build sites are located throughout Alachua County and snacks and lunch are always provided.
- Individuals must be at least 16 years old to volunteer at our builds.

team builds include:

- Your choice of build date and time.
- Private event held only for your team of 5-15 individuals and the future homeowner (if they are available and able to attend)
- Promotion of your team on our social media channels reaching over 10,000 individuals in the community.
- Invitation to and recognition at the Home Dedication for the future Homeowner whose house you helped build.
- Certificate of appreciation.

benefits of team builds:

- Building together strengthens relationships, creates memories, develops leadership skills, encourages positive communication, and builds trust within your team.
- Team Builds reinforce your company/organization's commitment to giving back to the community.
- Utilizing volunteers on builds help us build more houses in less time, enabling us to serve more local families in need of affordable housing.

cost:

For Businesses: \$1,200.00

For Non-Profits and Civic Groups: \$600 (50% discount)

Building and repairing homes requires large investments for materials and labor. Individual and group contributions are our most important source of funding.

100% of your tax-deductible donation goes towards building homes within our community!

Interested in scheduling?
