

Alachua
Habitat
for Humanity®

Building a world where everyone has a decent place to call home.

Everyone Deserves a Home for the Holidays

Give the Gift of Homeownership - Donate Today!

Hello Jessica,,

As we begin to prepare for another year, Alachua Habitat for Humanity is working hard to get all of our families to the finish line and into their safe, decent, and affordable homes. Around this time, it is a

We build **strength**, **stability**,
self-reliance, and **shelter**.

balancing act for many in our community between closing out the year and dreaming and planning for the next. But we cannot lose sight of the outstanding successes this year has brought, which could not have been accomplished without the support of our community, donors, and volunteers. Through their support, we have built 12 homes and repaired 8 more through our Critical Home Repair Program.

Each of these homes has a unique story attached to them. One such story is from one of our future homeowners, Gloria. Gloria is a single mom to two wonderful children who relocated to Gainesville four years ago after her daughter was diagnosed with Lupus. Once in Gainesville, specialists were able to better manage and control her daughter's symptoms but, when the family moved they were sleeping on a couch and all of their belongings were being stored in a small TV room. Gloria is grateful for the Alachua Habitat Homeownership Program and for the greater Alachua County community that have made so much possible for her and her children.

[You can read Gloria's full story here.](#)

We raised \$3,000+ dollars for Giving Tuesday!

Thank you to everyone who donated on Giving Tuesday! **Every brick** is a building block, **every step** leads to a brighter future, **every door** opens up new opportunities, and **every donation** helps a family help themselves.

Shelter is the foundation and building strong foundations starts with YOU!

Why we do what we do:

1 in 7 households in Alachua County pay more than 50% of their income on housing.

At Alachua Habitat, we believe that everyone deserves safe and affordable housing. With the help of our amazing volunteer and donor base, we are able to build homes with mortgages 30-40% lower than market rates.

When you volunteer with us and donate to our cause, YOU are giving the gift of homeownership to another family in our community!
