for Humanity®

Building a world where everyone has a decent place to call home.

**Giving Tuesday is November 29th!**

Hello Jessica,,

Giving Tuesday is a day of global generosity inspiring hundreds of millions of people to give, collaborate, and celebrate donations that transform communities and the world. Will you help us reach our goal of raising **\$5,000** to build safe, decent, and affordable homes within our community. **Join the Giving Tuesday movement by making a gift to Alachua Habitat for Humanity and be part of the global tradition of generosity.**

# This month, we completed our 169th and 170th homes.

Two of our family partners, John Vinson & Elea Benson and Lakeisha Hill, received the keys to their new homes this November. Thanks to our dedicated donors and volunteers, they will now be able to spend the holidays in a home of their own.

## Why we do what we do:

**1 in 3 households in Alachua County pay more than 30% of their income on housing.**

At Alachua Habitat, we believe that everyone deserves safe and affordable housing. With the help of our amazing volunteer and donor base, we are able to build homes with mortgages 30-40% lower than market rates.

**When you volunteer with us and donate to our cause, YOU are giving the gift of homeownership to another family in our community!**
